**WOMEN
UNITED**

MEMBERSHIP APPLICATION

As a growing global force of over 70,000 women, Women United was formed to inspire, educate, and engage women to become actively involved in leadership, philanthropy, volunteerism, and advocacy in support of their local United Way. Women United is a group of community-minded women who provide the opportunities and support it takes to build successful lives through United Way's building blocks of Health Communities, Youth Opportunities, and Financial Stability.

Women United consists of quarterly breakfasts that raise awareness, advocacy, and funds for local community issues. Past Women United projects have included supporting the Northwoods Battered Women's Shelter need for a new facility, creating a mobile food pantry with Bemidji Community Food Shelf, and working on transportation needs with Village of Hope and Evergreen Youth & Family Services. This year Women United is continuing our work with United We Grow: A Mentoring Program for Women.
