Now Hiring Supervised Visitation Facilitators

Help a child by becoming a First City Supervised Visitation Facilitator

As a Facilitator you would oversee clients as they interact with their children in a neutral, safe, child-focused environment that enables them to establish or maintain a relationship with their caretaker/parent.

Both supervised visitation and exchanges are designed to ensure that children can have safe contact with a parent or caregiver during times of family conflict or transition that puts their best interests at the forefront.

***If you can help a child, you don't have to spend
years repairing an adult.***
