

EVENT & OUTREACH VOLUNTEER

SCHEDULE AND LOCATION:

- **Day of the week:** Evenings, on weekends, and occasional weekdays
- **Length of time:** Flexible. Many Event & Outreach Volunteers volunteer an average of 5 hours a month. You pick the events you want to attend.
- **Site:** Bemidji, Minnesota

ORGANIZATION MISSION:

Conservation Minnesota's mission is to protect the Minnesota you love by solving our state's most important conservation problems. We are committed to moving as fast as possible towards solutions for climate change, clean air, and clean water while ensuring that everyone who calls Minnesota home has access to the Great Outdoors and opportunities to enjoy it. Our work is centered around bringing people together across regions, backgrounds, and beliefs to find real solutions.

VOLUNTEER ROLE SUMMARY:

When you become an Event & Outreach volunteer with Conservation Minnesota, we'll connect you with a steady stream of service projects, events, educational opportunities, and other ways to protect the Great Outdoors. Each event will be unique. As a volunteer, you may:

- Remove invasive species and planting native, pollinator-friendly plants
- Clean storm drains to help keep our waterways healthy
- Assist with environmental educational sessions
- Teach local community members how to recycle or compost
- Put together gardening kits to be given out to community members
- Clean up litter in a park or on a shoreline
- Build bat houses or bird houses to support local wildlife
- And much more!

Requirements:

- People under the age of 18 must have permission from a guardian to volunteer.
- Have an interest in protecting the environment, clean air, or clean water
- Have reliable transportation to project sites
- Be comfortable working outdoors in various weather conditions
- Be polite, reliable, and work well with others

We provide all necessary tools, materials, and training. By volunteering, you can help protect the great outdoors while connecting with like-minded community members.
