As a growing global force of over 70,000 women, Women United was formed to inspire, educate, and engage women to become actively involved in leadership, philanthropy, volunteerism, and advocacy in support of their local United Way. Women United is a group of community-minded women who provide the opportunities and support it takes to build successful lives through United Way's building blocks of Health, Education, and Basic Needs.

Women United consists of topical quarterly breakfasts that raise awareness, advocacy, and funds for local community issues. In 2022, Women United has been working with Village of Hope, our local family homeless shelter, on Shuttles for Shelters – a shuttle service for Village of Hope families.
